

Bringing Philly to You!

When we moved to Arizona from New Jersey the first question we asked was, "Where can we go to get a good sub 'round here?" And the answer was always, Philadelphia! So since you can't just up and split to Philly for lunch, it'd be our pleasure to bring Philly and all the charm of the east coast right to you.

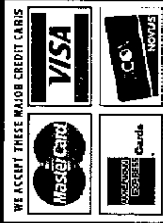

East Coast Super Subs and Wings is a sub shop long in tradition. My grandmother (PA) started our first sub shop back in 1961. My uncle (NY) and my father (NJ) continued the success with three more sub shops that brought about the famous Irish Sub.

I am just as committed to bringing you, our guests, the same quality sub my family has been making for over 60 years. And our hot wings, to die for! Find us online or in person at Park Ave / 9th St across from our pals at The Rock. I personally guarantee the most delicious sub & wing combo in Tucson. For you see, the founder is also the cook!
